# QUATIX<sup>®</sup> 7 SERIES MARINE GPS SMARTWATCHES

NEW PRODUCT  
ANNOUNCEMENT

## PRODUCT OVERVIEW:

Plot your paradise on the water and beyond with quatix 7, the multisport GPS smartwatch that has all the features you need on your boat and the ones you want off it. quatix 7 provides comprehensive connectivity with compatible Garmin chartplotters and other devices<sup>1</sup> to offer autopilot control, data streaming, Fusion-Link™ entertainment system control, integrated tide data on the watch face, new alarms for better situational awareness and much more. Use traditional button controls or the new touchscreen interface to access selections. This smartwatch supports optional BlueChart® g3 coastal charts and inland maps. Advanced smartwatch features for all-day wearability include built-in activity profiles for water and land sports, performance metrics, smart notifications<sup>2</sup>, 24/7 health monitoring, access to the Garmin Connect™ app and Garmin Pay™ contactless payments<sup>3</sup>. quatix 7 - Sapphire Edition features a 1.3" bright AMOLED display. quatix 7X - Solar Edition includes solar charging to extend battery life and a built-in LED flashlight.

## KEY FEATURES:

|          |                              |   |
|----------|------------------------------|---|
|          | PERFORMANCE BY DESIGN        | Rugged, sophisticated design features 1.3" (quatix 7, quatix 7 Sapphire) and 1.4" (quatix 7X solar) displays and stainless steel or diamond like carbon coated bezels.  |
| NEW      | STUNNING DISPLAY             | The stunning always-on AMOLED display brings your watch to life, even under bright sunlight (quatix 7 Sapphire only).   |
| IMPROVED | SOLAR                        | Do more. Charge less. Solar charging yields up to 37 days of battery life in smartwatch mode2 (quatix 7X Solar only).   |
| NEW      | TOUCHSCREEN AND BUTTONS      | Touch or tap, it's up to you. Use traditional buttons or the new touchscreen interface.   |
| NEW      | MFD CONTROL                  | MFD remote control feature for quick access to common interactions like chart zoom.   |
|          | ANCHOR DRAG ALARM            | New preloaded anchor drag application which will alert you if the boat's anchor is dragging.  |
| IMPROVED | TIDE DATA                    | Integrated tide data now available on the watch face.   |
|          | CARTOGRAPHY                  | Supports optional BlueChart® g3 coastal charts and freshwater maps.   |
| NEW      | FLASHLIGHT                   | When it gets dark, the built-in LED flashlight helps keep you going (quatix 7X Solar only).   |
|          | SAILASSIST™                  | When it comes to sailing, don't just time your start — visualize it. Create a virtual starting line to time the perfect start. Also, use tack assist to see whether you are headed or lifted.   |
|          | FUSION-LINK™                 | Control your onboard entertainment system from your watch with the built-in Fusion-Link Lite app.   |
|          | STREAM DATA                  | View data — including water depth, engine RPM, wind, custom data and more — directly on your wrist when you connect your quatix 7 — to your boat's compatible devices.  |
|          | AUTOPILOT                    | Even when you're not at the helm, you can control your boat. Access the autopilot app to change heading, engage pattern steering and follow a GPS route.  |
| NEW      | MULTICONTINENT TOPO MAPS     | Use built-in Wi-Fi® connectivity to easily load and update maps and software without using a computer (preloaded on quatix 7X Solar and quatix 7 Sapphire, downloadable for the standard quatix 7).   |
|          | PRELOADED SKI AND GOLF MAPS  | 42,000 preloaded golf courses around the world; get touch targeting and the PlaysLike Distance feature. Take on the slopes with preloaded SkiView maps, and view run names and difficulty ratings for more than 2,000 ski resorts worldwide.                  |
| NEW      | MULTI-BAND GPS               | Receive and utilize multiple frequencies sent by navigation satellites, which enable improved user position accuracy specifically in areas where GNSS signals are reflected, weak or typically do not penetrate (quatix 7 Sapphire and quatix 7X Solar only). |
|          | ABC SENSORS                  | Navigate your next trail with ABC sensors, including an altimeter for elevation data, barometer to monitor weather and 3-axis electronic compass.   |
|          | BUILT-IN SPORTS APPS         | Use preloaded activity profiles for trail running, swimming, running, biking, hiking, rowing, skiing, golfing, surfing, indoor climbing and more.   |
|          | SURF-READY FEATURES          | This quatix watch works with the Surfline Sessions™ feature, which creates a video of every wave you ride in front of a Surfline® camera. So, you can watch them later and see how you did with your Surfline Sessions subscription.                          |
|          | PERFORMANCE METRICS          | <a href="#">View advanced training metrics that include running dynamics, heat- and altitude-adjusted VO2 max, trail running adjustment, recovery advisor and more.</a>   |
| IMPROVED | RECOVERY ADVISOR             | After each work out, recovery time lets you know when you'll be ready for another hard workout. It even accounts for training intensity and factors such as stress, daily activity, and sleep.  |
|          | WRIST-BASED HR               | The watch constantly samples your heart rate <sup>4</sup> to help gauge how hard you work during activities — even underwater.  |
|          | ADVANCED SLEEP & SLEEP SCORE | Get a full breakdown of your light, deep and REM sleep stages. View it all on a dedicated widget that includes your sleep score and insights <sup>4</sup> .   |
|          | HEALTH MONITORING            | Using data from the watch's various body status sensors, this feature helps track your daily biometric <sup>5</sup> and wellness trends at a glance.  |
|          | SMART NOTIFICATIONS          | Receive emails, texts, and alerts right on your watch when paired with a compatible device <sup>2</sup> .   |
|          | MUSIC STORAGE                | Download songs plus playlists from your Spotify, Deezer or Amazon Music accounts (subscription may be required). Use your wireless headphones for phone-free listening.   |
|          | GARMIN PAY™                  | Breeze through checkout lines with Garmin Pay contactless payment solution <sup>3</sup> through participating providers.  |
|          | SAFETY AND TRACKING          | When your watch and phone are paired, a message with your live location can be sent to your contacts manually or — during select outdoor activities — automatically with built-in incident detection <sup>6</sup> .   |
|          | CONNECT IQ™ STORE            | Download custom watch faces, add data fields, and get apps and widgets from the Connect IQ Store on your compatible smartphone.   |

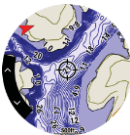

quatix 7 standard and quatix 7X Solar models also have all the fenix 7 features, found on this recently released dealer marketing memo.  
quatix 7 Sapphire models have all the epix (Gen 2) features, found on this recently released dealer marketing memo.
