

SWIVEL ANCHOR CONNECTOR | AISI 316

Swivel anchor connector made of high quality stainless steel AISI 316.

Anchor slides perfectly through the ferrule without any problems or damage to the sheaving. Anchor straightens up automatically and is correctly positioned on board.

It has a hold on the seabed without the chain twisting.

The bigger version # 644.16 is designed for anchors up to 150 kg

Usage activities

SAILING
